1.

U. S. psychiatrists whose technical background is such as to warrant an approach to them for advice on personnel.

2. You will remember our recent conversation regarding an advisory panel for Bluebird.

3. \_\_\_\_\_ gives the following information, which I have not yet tried to check:

In my opinion the first approach should be made to \_\_\_\_\_  
and ready to take any steps that you may wish.

4. A fourth psychiatrist has come to my attention through information from \_\_\_\_\_ of my Office, namely,

\_\_\_\_\_, who is considered by  
to be a reputable psychiatrist. \_\_\_\_\_ was a classmate of  
brother of \_\_\_\_\_ and is known personally to \_\_\_\_\_
